RE: WLIC School Closure 1st January to 5th April 2025

Dear Parents, Assalamu'Alaikum,

We hope this letter finds you and your family in good health and E'iman. As you maybe aware the Centre has been undergoing a major stage in its redevelopment programme with construction works taking place on the 2nd and 3rd floors.

In the new year, the construction works need to accelerate to meet project deadlines and remain within cost programmes. This will require works to take place throughout sections of the building during weekdays and on parts of the weekends.

The health & safety of our visitors, guests, staff and children is always of paramount importance. Based on regulatory and public liability requirements, the Centre will need to scale down its activities for the first few months of 2025. Regrettably this will affect our school which will be closed for the 2nd Term from January 1st until April 5th 2025. Fees already paid towards this 2nd Term will be refunded or credited towards future payments.

Our children are at the heart of our community and project vision, so this necessary decision has not been taken lightly. We are however optimistic about the future, Alhamdu'Lillah the 3rd floor under construction is dedicated to our educational services. The children will return to a brand new, advanced facility, managed by the Masjid with the support of our exceptionally dedicated education team and teaching staff.

We thank you for your understanding and cooperation, please continue to support the Centre to help raise the funds to finish this phase of the project. If you require any further details you are welcome to visit the office and speak to myself or a member of our education team.

Jazakomuallahu'Khairan,

Dr Abdulkarim Khalil (CEO)

On Behalf of the WLIC Management
